Why AP®?

4 Reasons to Sign Up for AP Courses

Earn College Credit

Many colleges give course credit for good AP scores. This can save thousands of dollars in tuition.

Boost Your GPA

AP classes are graded on a weighted scale at many high schools. This can result in higher GPAs.

Get Noticed During Admissions

AP courses look great on college and scholarship applications. They showcase a student's desire and ability to take on an academic challenge.

Get College-Ready

AP students are exposed to college-level courses. They can make your transition from high school to the first year of college easier.
